GAMER EXTRA

BATTLEFIELD™ 2042

Introduction

Battlefield 2042 is a 2021 first-person shooter, developed by DICE and published by Electronic Arts.

Battlefield 2042 was released on November 19, 2021, for PlayStation 4, PlayStation 5, Windows, Xbox One, and Xbox Series X/S.

GAMER EXTRA

BATTLEFIELD 2042

Battlefield 2042 is solely multiplayer and does not have a single-player campaign.

Battlefield 2042 is a multiplayer game that takes place in the near future.

There are three game types in 2042

The main event All-Out Warfare, has within it the Breakthrough and Conquest modes.

Conquest is the traditional Battlefield mode where you compete to capture and hold multiple points at once spread around a massive map

Breakthrough mode focuses the action a little bit better by putting each team on either attack or defense, but with the catch that each zone the attacking team captures can't be recaptured.

GAMER

BATTLEFIELD 2042

That means the defending team is pushed back to the next point, becoming increasingly desperate to hold onto the last one until the attackers' respawn tickets run out.

Similar to its predecessors, Battlefield 2042 is a multiplayer-focused first-person shooter.

As the game is set in the near future, it features futuristic weapons and gadgets like deploy able turrets, drones, and vehicles that players can control.

Players can request a vehicle air-drop to any location.

GAMER EXTRA

BATTLEFIELD 2042

So what makes Battlefield 2042 worth playing over other first person shooter games at this moment in time.

At the end of the day is Battlefield 2042 is worth playing now.

If you play Battlefield 20422 you are getting your money's worth for the following reasons, You really ought to jump into Battlefield 2042 now, especially at its discounted price across digital storefronts and also physical copies which if you shop around you can buy the game for a fairly decent price.

GAMER

BATTLEFIELD 2042

Specialists have been tweaked to act more like traditional Battlefield classes.

The lack of content issue isn't really an issue anymore All the new maps since launch have fixed issues players had with launch maps.

Battlefield 2042 offers war on a larger scale more than any other first person shooter on the market and has done for a long time.

While Specialists are still part of the game, they have been re-worked to make them fit to your traditional Battlefield class system.

GAMER EXTRA

BATTLEFIELD 2042

Operator class-based skills have defined roles on the battlefield and it works and compared other games which only have operators which are basically just skins and do not give you any real operator abilities.

GAMER

BATTLEFIELD 2042

GAMER EXTRA BATTLEFIELD 2042

ASSAULT CLASS

Assault class specializes in spearheading attacks. Specialists WEBSTER MACKAY,

SANTIAGO "DOZER" ESPINOZA,

EMMA "SUNDANCE" ROSIER, and

RASHEED ZAIN are part of this aggressive Class and can be trusted to storm into objectives. Assaults can also use demolition equipment to bring down enemy defenses, intrusive vehicles, or to open up new paths.

GAMER EXTRA BATTLEFIELD 2042

BATTLEFIELD 2042

ENGINEER CLASS

With their immense repair skills, Engineers are crucial to the success of any vehicles in battle.

Engineer Specialists

PYOTR "BORIS" GUSKOVSKY, CHARLIE CRAWFORD, and EWELINA LIS can also take down enemy vehicles from a far, fortify spaces, and provide the team with equipment useful for holding on to objectives.

GAMER BATTLEFIELD 2042

SUPPORT

Support Specialists are essential to teammates who want to stay in the fight. Reviving, resupplying ammo, and handing out suppressive equipment, Supports let fellow No-Pats engage in sustained combat.

The Support Class is composed of Specialists MARIA FALCK, CONSTANTIN "ANGEL" ANGHEL, and KIMBLE “IRISH” GRAVES.

GAMER EXTRA

BATTLEFIELD 2042

RECON

If close-quarters combat isn't for you, then look to the Recon class for sniping and other vantage point abilities. Recons like

CAMILA BLASCO, JI-SOO PAIK, WIKUS "CASPER" VAN DAELE, and NAVIN RAO look to avoid direct confrontation.

Their equipment interferes with enemy systems and creates weaknesses through subversion and sharing information about enemy positions.

GAMER

BATTLEFIELD 2042

GAMER EXTRA

BATTLEFIELD 2042

Battlefield 2042 has improved significantly through post-launch updates.

Season Six has been successful in repairing the game's reputation.

Battlefield 2042 has made some excellent strides to improve the games performance.

Season Seven has carried forward that momentum by introducing a map focused on close-quarters combat.

So in conclusion Battlefield 2042 is now a polished game that is a must for any first person shooter fan and a great addition to any video game collection.

Battlefield 2042 tip,tricks and hints for Battlefield 2042

SMGs and assault rifles are best option for beginners.

Take time to practice. playing against online bots is a great way to learn the game mechanics and maps.

There are no BF2042 offline bots as battlefield 2042 First person Shooter is always-online game.

Since there is also no single-player story campaign, playing against online bots is the closest.

GAMER EXTRA

BATTLEFIELD 2042

Battlefield 2042 tip,tricks and hints for Battlefield 2042

Vehicles are even more of a challenge in particular air options like jets and helicopters.

once Again recommend that you hop into a solo server and learn the vehicle mechanics without having to nab them in the first 0.01 seconds of a server game which can challenging to do.

Once you learn the controls and if you can get adept with them you'll become a huge asset to any team. you join.

BATTLEFIELD 2042

Battlefield 2042 tip,tricks and hints for Battlefield 2042

Re-spawning in BF2042, like most Battlefield games before it, can be a delicate matter.

Whether you're playing Conquest, Breakthrough or other modes in Portal.

You'll want to get close to the action by spawning near a fight, but not so close that you die instantly upon arriving.

However, occasionally spawning further back in order to set off on a big flank, or to sit back and snipe, are also well worth considering.

BATTLEFIELD 2042

Battlefield 2042 tip,tricks and hints for Battlefield 2042

Be a team player Regardless of your game mode. Being a team player is key in Battlefield - this isn't a lone wolf run-and-gun simulator like Call of Duty.

If you're not making the biggest dent on the kills side, consider choosing the medical or ammo crate as your gadget and helping out on the front line.

Restocking players' ammunition and health is vital, as are revives, and you'll get plenty of XP for it, too.
